AUSTRALIA - GERMANY BUSINESS CONFERENCE 2008

**Prosperity & Energy:
Towards a Sustainable Future**
Sydney · 22 October 2008

Guest of Honour:

German Federal Minister for Economics and Technology
Mr Michael Glos

*...towards a
sustainable
future.*

□ BACKGROUND INFORMATION

In 1980 the first Australia-Germany Business Conference was convened in Melbourne. Since then 15 conferences held in Australia and Germany attracted numerous high-profile speakers and delegates. Within two decades this event has emerged as the most important business forum for bilateral dialogue. The conference is part of the Partnership 2000 Action Plan agreed by the governments of Germany and Australia.

□ FOCUS

The conference will offer presentations, panel discussions and interactive Q&A on the repercussions of a changing regulatory and business environment in the context of climate change, energy and sustainability issues. **“Prosperity and Energy: Towards a Sustainable Future”** – the topic of this year’s conference presents an insight into the current views on sustainable economies, security and efficiency of energy sustainability, the price of renewable energies and the effect on mobility in logistics and transport.

Keynote speakers will include Mr Michael Glos, German Federal Minister for Economics and Technology, and Jürgen Fitschen, Member of the Group Executive Committee Deutsche Bank
